

Commercial Restroom Paper Towel Dispenser and Waste Receptacle

This stainless steel recessed unit combines a waste receptacle and paper towel dispenser, ideal for commercial restrooms. The top section dispenses standard paper towel rolls, while the bottom compartment houses a waste bag for efficient disposal.

Product Overview

Professional Sanitation Solution

This recessed stainless steel unit provides an efficient, space-saving solution for commercial restrooms. By integrating both a paper towel dispenser and a waste receptacle in one fixture, it streamlines maintenance and promotes a cleaner facility environment. Designed for durability and security, this unit is built to withstand high-traffic use while maintaining a sleek, professional appearance.
