

Commercial Rolled Paper Towel Dispenser

This dispenser is designed for commercial or institutional use, providing rolled paper towels. It features a translucent blue plastic housing and a manual dispensing mechanism.

Product Overview

Professional Hygiene Solution

This commercial rolled paper towel dispenser is engineered for high-traffic environments, offering a robust and reliable solution for institutional hygiene. Its translucent housing allows for quick visual monitoring of paper levels, ensuring maintenance teams can replenish supplies before they run out. Designed for wall mounting, this unit optimizes space while providing a convenient, manual dispensing mechanism suitable for washrooms, kitchens, or industrial settings.
