

# Commercial Soft Ice Cream Machine

This machine is suitable for use in hotels, restaurants, chain stores and other places of business. It has high refrigerating efficiency and a fast serving speed.

## ADDITIONAL IMAGES

## Product Overview

### Professional Soft Serve Solution

This high-performance commercial soft ice cream machine is engineered for high-volume environments such as hotels, restaurants, and chain stores. It features a robust stainless steel construction designed for durability and ease of sanitation, ensuring long-term reliability. With its advanced refrigeration system, the unit delivers rapid freezing and consistent product quality even during peak service hours.

## Technical Specifications

### Key Performance Metrics

**1 High**

Refrigeration Efficiency

**1 Stable**

Operational Stability

### Customization Options

Adjustable Voltage, Adjustable Frequency, Adjustable Power

## Operational Features

### Control Panel Functions

- Auto Mode
- Clean Cycle
- Standby Mode
- Hardness Setting
- Temperature Monitoring

### Design & Construction

Feature	Specification
Material	Stainless Steel
Dispensing System	Multi-handle
Maintenance	Removable Drip Tray

## Application

### Ideal For

Hotels • Restaurants • Chain Stores • Ice Cream Shops • Cafes
