

# Compact 5-Door SUV with 1.8L Engine and Automatic Transmission

This compact SUV features a 5-door configuration and a 1.8L engine paired with an automatic transmission. It is designed to provide a comfortable ride and adequate cargo space, making it suitable for families and individuals alike.

## Overview

### Compact 5-Door SUV (Model FD6433)

This versatile 5-door compact SUV combines a reliable 1.8L engine with a smooth 4-speed automatic transmission, making it an ideal choice for both urban commuting and suburban travel. Built with a robust unitary construction, the vehicle offers a comfortable ride supported by Macpherson struts and multi-connecting rod suspension. It balances performance with efficiency, featuring a 160 km/h top speed and fuel consumption as low as 7L/100km.
