

Compact Beverage Display Freezer

This compact freezer is designed for displaying beverages. It features a glass door for clear visibility and interior shelving for organized storage.

Overview

Compact Beverage Display Solution

This compact beverage display freezer is an ideal solution for businesses needing efficient, space-saving cooling. Designed with a clear glass door for optimal product visibility, it helps drive impulse sales in retail or hospitality environments. The unit features manual temperature control and reliable compressor cooling, ensuring your drinks remain perfectly chilled between 0-10°C.
