

Compact Beverage Display Freezer with Adjustable Shelves

This compact freezer is designed to display beverages and snacks. It features a transparent glass door, adjustable shelves and temperature control.

Overview

Compact Beverage Display Solution

This compact beverage display freezer is designed for efficient showcasing of drinks and snacks in retail environments. It features a transparent glass door for high visibility and adjustable shelving to accommodate various product sizes. With a reliable compressor cooling system and manual temperature control, it ensures optimal storage conditions for convenience stores, cafes, and small businesses.
