Product Overview

Compact and efficient design perfect for home and office environments.

Compact and Efficient Ice Production

This compact bullet ice maker is designed for quick and convenient ice production, making it an essential addition to any kitchen or small office. Utilizing a single-row evaporator, it efficiently produces bullet-shaped ice cubes in short cycles, with 9 pieces per operation. Its space-saving design ensures it fits easily on countertops while maintaining a large capacity for daily ice needs.

Performance

Daily Ice Production

12 Kg/24h

Ice Making Capacity

Pieces per Cycle

9

Capacity

Water Tank Capacity	1.5 L
Ice Storage Capacity	600 g

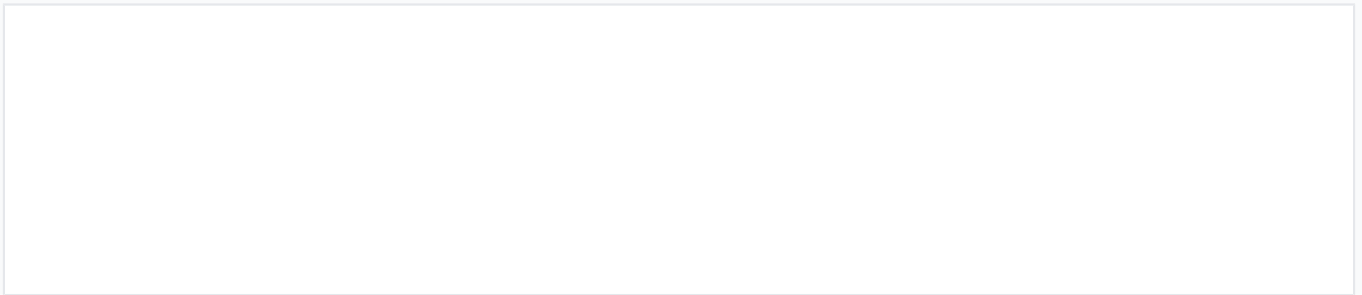

Technical Specifications

Model Number	ZB-12BZ
Rated Power	170 W
Net Weight	5.7 kg

Physical Dimensions

Unit Size (L*W*H)	288 x 225 x 262 mm
-------------------	--------------------

Features

User-friendly interface and transparent lid for easy monitoring of ice production.

Ice Options

- Multiple ice sizes
- Bullet-shaped ice
- Single-row evaporator for speed
