

Compact Ceramic Hair Curling Set

This compact perm set is designed for creating curls and waves. It features ceramic-coated plates for even heat distribution and reduced hair damage.

Product Overview

Compact Ceramic Styling Solution

This compact ceramic hair curling set is designed for efficiency and portability, making it an ideal choice for professional styling on the go. Featuring advanced PTC heating technology, it ensures rapid heat-up times and consistent temperature maintenance for gentle, effective styling. The lightweight, ergonomic design provides ease of use, while the durable PA66 shell offers long-lasting reliability for daily salon or home use.
