

Compact Electric Travel Iron with Detachable Base

This compact electric iron features a detachable base for convenient storage and portability. Designed for travel, it includes a temperature control dial, non-stick soleplate, and steam function for effective ironing.

Product Overview

Compact Travel Ironing Solution

This versatile electric iron is engineered for convenience, featuring a detachable base that makes it ideal for travel and compact storage. Equipped with a high-performance non-stick soleplate, it offers multiple ironing modes including dry, spray, steam, and burst of steam. Designed for reliability, it also includes essential maintenance features like self-cleaning and anti-calc functions.
