

Compact Electric Waffle Maker

This compact waffle maker is designed for efficient cooking. It features a non-stick surface and indicator lights for easy waffle release and operation.

Product Overview

Professional Compact Waffle Solution

The TX-106-1 is a highly efficient, compact waffle maker designed for reliable performance and convenient storage. Featuring a durable non-stick surface, it ensures effortless waffle release and rapid cleanup for any busy environment. Integrated indicator lights provide real-time status updates to simplify the cooking process, while the sturdy hinged lid construction guarantees even results every time.
