Product Data

Product Model	IC1201
24H-ice output	12KG
Ice storage	0.7KG/99Piece
Single ice release	9Piece
Ice shape	Bullet round ice
Intake mode	Manual addition of water
Water tank capacity	2.2L
Product Size	36x24x32cm
Packing Size	41x28.5x38.5cm
Loading Qty(DP FT40HQ)	672PCS/1392PCS

Color

Red Pink Gold Dark Grey Light Grey

Product Overview

Compact Ice Maker Solution

This high-efficiency ice maker is designed to deliver consistent performance in a compact footprint, making it an ideal choice for home or small office environments. Featuring intuitive controls for temperature and ice size selection, it ensures ease of use while maintaining optimal cooling efficiency through its side-vented design. With a daily output capacity of 12kg, it provides a reliable supply of bullet-shaped ice for various beverage applications.
