

Compact Laundry Washing and Drying Machine

This compact machine efficiently washes and dries clothing. It features multiple wash cycles, adjustable timer settings and durable construction.

Product Overview

Compact Laundry Solution

This compact washing and drying machine is engineered for high efficiency in restricted spaces. Designed with durability in mind, it provides robust cleaning performance alongside convenient drying capabilities. Its versatile design is perfectly suited for small living environments such as apartments, dormitories, and recreational vehicles.

Technical Specifications

Key Performance Indicators

5.5 kg
Washing Capacity

Model Number	XQB55-671S
Included Features	Multiple Wash Cycles, Adjustable Timer, Integrated Drying, Durable Construction

Usage Applications

Recommended Use Cases

- Small apartments
- Dormitories
- RVs and mobile homes
