

Compact Salon Hair Dryer

This compact hair dryer is suitable for salon or home use. It offers multiple heat and speed settings, a cool shot function, and includes a hang loop and removable end cover.

Overview

Professional Compact Hair Dryer

This compact salon hair dryer is engineered for performance and convenience, measuring just 17 centimeters in length. Despite its small footprint, it delivers powerful, balanced, and quiet operation suitable for professional environments. With versatile power options and advanced features like an ion generator, it is designed to meet the rigorous demands of salon use.
