

Compact Single Door Refrigerator

This compact refrigerator is designed with a single door and metallic handle. Its glossy blue exterior features chrome trim, making it suitable for small spaces requiring basic refrigeration.

Product Overview

Compact Single Door Solution

This compact single door refrigerator is specifically engineered for professional environments where space is at a premium. Featuring a distinctive glossy blue exterior complemented by elegant chrome trim, it combines modern aesthetic appeal with essential refrigeration performance. The unit is ideal for office breakrooms, hotel rooms, or small-footprint hospitality settings.
