

Compact Top-Loading Washing and Drying Machine

This compact machine efficiently washes and dries clothing. It features a durable plastic body, top-loading access, and separate timer controls.

Product Overview

Compact Laundry Solution

This compact top-loading washing and drying machine is engineered for high efficiency in restricted spaces such as apartments and RVs. Featuring a durable plastic construction, it offers reliable performance for daily laundry needs. The unit includes independent timer controls for both washing and spinning cycles, providing users with complete control over their fabric care.
