

Compact Top-Loading Washing and Drying Machine

This compact washing and drying machine is designed for household use. It features a top-loading design with a transparent blue-tinted drum and a control panel.

Product Overview

Compact Laundry Solution

This top-loading washing and drying machine is engineered for space-efficient environments, making it an ideal choice for small households or confined living areas. Featuring a durable white exterior and a modern blue-tinted transparent drum, it combines aesthetic appeal with robust construction. The intuitive control panel allows users to easily manage various wash and dry settings for optimal garment care.
