

Compact Top-Loading Washing Machine

This compact washing machine is designed for household use. It features a top-loading design with a visible control panel and is suitable for small to medium laundry loads.

Product Overview

Efficiency Meets Compact Design

The XQB60-Q630U is a high-performance top-loading washing machine engineered for versatility in smaller environments. Its sleek, neutral finish ensures it integrates seamlessly into any laundry space while maintaining professional standards of reliability. Ideal for medium loads, this machine offers an intuitive control panel designed to simplify the washing process for efficient everyday use.
