

Complete Motorcycle Dashboard Assembly

This is a complete dashboard assembly for motorcycles. It includes an instrument cluster housing, central control panel, air vents, and integrated mounting points for easy installation.

Product Overview

Complete Dashboard Solution

This complete motorcycle dashboard assembly provides a comprehensive interior solution, featuring an integrated instrument cluster housing and a central control panel. Designed with a durable, light beige molded plastic construction, it includes functional air vents, a glove compartment, and simulated wood trim accents. The assembly is engineered for straightforward installation, making it an ideal choice for vehicle refurbishment or custom interior upgrades.
