

Contemporary Three-Light Chandelier with Spherical Shades

This modern chandelier features a black metal frame complemented by circular accents and spherical shades. It accommodates three E14 bulbs, each with a maximum wattage of 60W, and is suspended by a matching black chain.

Product Overview

Scandinavian Design Excellence

This contemporary three-light chandelier blends Scandinavian design principles with functional elegance, making it a versatile choice for living rooms, bedrooms, and dining areas. Featuring a sophisticated black metal frame accented by a central sphere and three white glass shades, this fixture offers a clean, modern aesthetic. Its professional painting and electroplating finish ensures durability and a premium look, while the design allows for seamless integration into various interior decoration styles.
