Overview

Compact Power and Precision

This corded electric drill is a versatile tool engineered for a wide range of drilling tasks, from home improvement to professional applications. It features a robust 500W motor and variable speed control, allowing for precise handling and consistent performance. The ergonomic design, complete with a rubber overmold handle, ensures user comfort and control during extended periods of operation.

Technical Specifications

Power Output

500 W

Power Rating

Speed Range

3000 RPM

Max Speed

Country of Origin

China

Chuck Capacity

10 mm

Voltage Requirements

220-230V 50-60Hz

Model Number

H-1001
