

Corded Power Saw

This power saw features a 1400W motor and adjustable cutting angle from 0° to 45°. It utilizes a $\varnothing 250 \times 16 \times 2.5 \text{mm}$ 36z blade for efficient cutting.

Product Overview

Professional Corded Power Saw

This high-performance corded power saw is engineered for precision and durability in demanding work environments. Powered by a robust 1400W motor, it delivers consistent cutting performance at speeds of up to 3800min⁻¹. Its versatile design features an adjustable cutting angle from 0° to 45°, making it an essential tool for diverse carpentry and construction applications.
