

Corded Vacuum Cleaner

This corded vacuum cleaner operates at 230V with a 600W motor. It has a 0.5L dust cabin capacity and a 4.5m cord length.

Overview

Efficiency Meets Performance

The XC6003 corded vacuum cleaner is a reliable and powerful cleaning solution designed for versatile use. With its robust 600W motor and 15Kpa suction power, it ensures effective debris removal while maintaining a manageable noise level. Its compact design and lightweight construction make it an ideal choice for efficient floor and surface maintenance.
