Overview

Professional Cordless Performance

This cordless angle grinder is a versatile power tool engineered for efficient cutting, grinding, and polishing tasks. Powered by a reliable 20V lithium-ion battery, it delivers a no-load speed of 8500r/min for demanding applications. Designed with user comfort and safety in mind, it features an ergonomic soft grip, a two-position auxiliary handle, and robust safety mechanisms including a wheel cover and safety button.

Technical Specifications

No-load Speed

8500 r/min
Speed

Dimensions

Dimension	Value	Unit
Overall Length	350	mm
Head Width	120	mm

Battery Voltage	20 V
Battery Chemistry	Li-ion
Battery Capacity	3000 mAh
Disc Diameter	115 mm

Features & Safety

Ergonomic Design

- Soft grip handle
- Two-position auxiliary handle

Safety Features

Safety Button, Wheel Cover, EN12413 Compliant

Compatibility

Compatible Wheel Specifications

Wheel Type	Dimensions	Max Speed
Grinder Wheel	115 x 3.0 x 22.2mm	13300 RPM
Cutting Wheel	115 x 1.0 x 22.2mm	13300 RPM
