

# Cordless Battery-Powered Leaf Blower, 58V, 1.3kW

This cordless leaf blower is powered by a 58V battery and features a 1.3kW motor. It is designed for effective removal of leaves and debris in gardens.

## ADDITIONAL IMAGES

## Product Overview

Ergonomic 58V cordless leaf blower for efficient debris clearing.

### Professional Cordless Performance

This high-performance cordless leaf blower is engineered for efficiency, featuring a powerful 1.3kW motor that delivers up to 600 CFM of air volume. Designed for professional landscapers and demanding homeowners, it offers total freedom of movement without the restriction of power cords. The balanced ergonomic design ensures comfort, while the advanced 58V battery system provides reliable, long-lasting operation for various outdoor maintenance tasks.

## Technical Specifications

High-performance brushless motor delivers 1.3kW of power.

### Motor Power

**1.3 kW**

Motor Output

**600 CFM**

Max Air Volume

### Performance Metrics

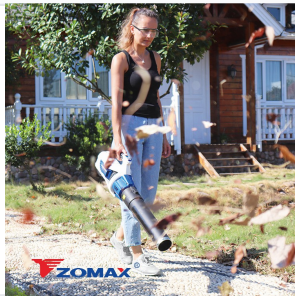

Metric	Value
Vibration Level	2.133 m/s <sup>2</sup>
Sound Pressure Level	104 dB(A)

## Operational Runtime

### Battery Runtime by Speed

- Low Speed: Up to 100 minutes
- Medium Speed: Up to 50 minutes
- High Speed: Up to 18 minutes
- Turbo Mode: Up to 12 minutes

## Design and Handling

Designed for comfortable handling and ease of use in garden maintenance.

### Equipment Weight

Configuration	Metric	Imperial
Unit Only	2 kg	4.4 lbs
With 2.0AH Battery	3.8 kg	8.3 lbs
