

# Cordless Brushless Angle Grinder

This cordless angle grinder is equipped with a brushless motor for increased efficiency and durability. It is designed for cutting, grinding, and polishing various materials.

## Product Overview

### Professional Cordless Performance

This 18V cordless angle grinder features an advanced brushless motor designed for enhanced efficiency and extended tool durability. Engineered for versatility, it excels at cutting, grinding, and polishing a wide variety of materials with ease. The ergonomic handle design ensures a comfortable grip, significantly reducing user fatigue during extended professional or DIY applications.

## Technical Specifications

Battery Voltage	18 V
Battery Capacity	2 Ah
No-Load Speed	8500 r/min
Wheel Diameter	100 mm

## Features

### Key Features

- Brushless motor technology
- Spindle lock for quick disc changes
- Safety guard included
- Cordless lithium-ion operation

Model Identifier	LH-702
