

Cordless Brushless Impact Wrench

This cordless impact wrench utilizes a brushless motor for enhanced efficiency and durability. The 18V Li-ion battery system provides ample power for demanding tasks.

Overview

High-Performance Fastening Solution

This 18V Cordless Impact Wrench is engineered with a high-efficiency brushless motor to provide extended runtime and superior durability for professional applications. Featuring five electronically adjustable torque settings up to 400N.M, it offers precise control for automotive repairs, construction, and general maintenance. Its ergonomic design minimizes user fatigue while delivering the power needed for demanding fastening tasks.

Performance

Performance Highlights

400 N.M

Max Torque

2200 RPM

No Load Speed

3300 BPM

Impact Rate

Technical Specifications

Motor Technology

Brushless Motor • High Efficiency • Long Life

Operating Voltage

18 V

Chuck Capacity

1/2" Square Head Spindle

Control & Precision

Adjustable Torque Levels

- 100 N.M
- 150 N.M
- 200 N.M
- 300 N.M
- 400 N.M

Application

Ideal Applications

Automotive Repair, Construction, General Maintenance, Fastening

Battery

Battery System

18V Li-ion
