

Cordless Brushless Leaf Blower

This cordless blower features a high-performance brushless motor. Its lightweight and ergonomic design ensures comfortable handling, while variable speed settings allow customized airflow.

Overview

High-Performance Cordless Cleaning

This cordless brushless leaf blower is designed for efficient debris removal in gardens and outdoor spaces. Powered by a dual-battery system, it offers a high air volume and variable speeds to handle various maintenance tasks with ease. Its ergonomic design ensures comfortable handling for extended use, making it an ideal choice for professional landscaping and property maintenance.

Performance Metrics

Key Performance Stats

200 km/h
Max Air Speed

11.5 m³/min
Air Volume

40 min
Runtime

Air Speed Range

80 - 200 km/h

Power System

Motor Type

Brushless

Operating Voltage

2 x 18V

Battery & Charging

Runtime Details

Up to 40 minutes when using 2.0Ah batteries

Design & Features

Key Features

- Variable speed settings for airflow control
- Lightweight ergonomic design
- Durable construction for long-lasting performance
- Cordless mobility for outdoor maintenance

Ideal Applications

Lawns, Gardens, Outdoor Spaces, Debris Removal
