

Cordless Drill and LED Flashlight Kit

This cordless drill set includes an 18V drill and a separate flashlight. The drill features a variable speed trigger and keyless chuck.

Overview

Versatile 18V Cordless Power Solution

This comprehensive 18V cordless kit provides the essential tools needed for drilling and lighting in professional or DIY environments. The set includes a high-performance drill with a keyless chuck for quick bit changes and a dedicated LED flashlight for working in dimly lit spaces. Packaged with a battery, charger, and assorted bits, it offers an all-in-one solution for immediate project readiness.
