

Cordless Electric Brush Cutter

This cordless brush cutter is a powerful tool for tackling tough weeds and overgrown vegetation. It features a high-performance motor powered by a 40V lithium-ion battery, providing ample power and extended runtime.

Overview

High-Performance Cordless Clearing

This cordless electric brush cutter is a powerful and versatile tool engineered for tackling tough weeds, thick brush, and overgrown vegetation. Powered by a 40V lithium-ion battery system, it provides professional-grade performance and extended runtime without the fumes or maintenance of gas-powered alternatives. Its ergonomic design and integrated safety features make it an ideal choice for both demanding residential landscaping and commercial property maintenance.

Performance

Power Specifications

40 V

Battery Voltage

Battery Technology

Lithium-ion • 40V System • Cordless

Cutting System

Blade Material	Durable metal blade
Target Vegetation	Tough Weeds, Brush, Overgrown Vegetation

Ergonomics & Safety

Safety Systems

- Blade guard
- Two-hand start system
- Accidental activation prevention

Handle Configuration	Adjustable handle for comfortable operation
