

Cordless Electric Floor Sweeper

This cordless electric floor sweeper provides a lightweight solution for quick floor maintenance. It is equipped with a rotating brush system and an optional transparent dustbin.

Product Overview

Efficient Cordless Cleaning

This lightweight cordless electric floor sweeper is designed for quick and efficient maintenance in homes and offices. Weighing only 2kg, it offers excellent maneuverability around furniture, supported by a protective rubber bumper. The device features a detachable battery and a convenient wall-mounting bracket for easy storage and charging, making it a versatile tool for daily floor care.
