

Cordless Electric Iron

This cordless electric iron offers convenient operation for effortless ironing. It features a non-stick soleplate and precise temperature control for optimal results on various fabrics.

Overview

Cordless Convenience and Performance

The CL-368C Cordless Iron is designed to provide effortless ironing with the freedom of cordless operation. Its ergonomic build and rapid heating system ensure quick, efficient results, while the non-stick soleplate offers smooth gliding across various fabric types. Equipped with precise temperature controls and safety features like automatic shut-off, this iron is an ideal solution for both quick touch-ups and extensive ironing tasks.
