

Cordless Electric Kettle with Water Level Indicator

This cordless electric kettle features a curved design and a water level indicator. The kettle has a light cream body with light blue accents on the base, lid, and handle.

Product Overview

Elegant and Functional Design

This cordless electric kettle combines a sleek, curved aesthetic with practical features for any professional or office environment. Its light cream body and blue accents offer a modern look, while the transparent water level indicator allows for precise filling. Designed for convenience and safety, this kettle ensures efficient boiling for all your hot beverage needs.
