Product Overview

Professional Cordless Pruning Solution

These cordless electric pruning shears are engineered for efficient and precise cutting in demanding gardening and landscaping environments. Featuring a high-capacity lithium-ion battery system, they provide extended runtime for continuous operation throughout the workday. The ergonomic design ensures user comfort during repetitive tasks, while the sharp blade assembly delivers clean, healthy cuts for shrubs, vines, and branches.

Cutting Performance

Hard Branch Capacity	25 mm
Soft Branch Capacity	30 mm

Power & Battery

Battery Specifications

36 V

Voltage

4.4 Ah

Capacity

144 Wh

Energy

Charging Time	3-4 hours or 6-10 hours
Charging Voltage	AC110~240V

Physical Specifications

Handheld Weight	1.25 kg
-----------------	---------

Compliance & Standards

Execution Standard	GB/T25419-2010
--------------------	----------------

Features

Key Features

Cordless, Rechargeable, Ergonomic Handle, Lithium-ion
