

Cordless Handheld Vacuum Cleaner

This compact, cordless vacuum cleaner is designed for quick cleaning. It includes a HEPA filter, dust container, crevice nozzle, brush nozzle, charging station, and stable base.

Product Overview

Compact Cleaning Power

This cordless handheld vacuum cleaner is designed for quick, efficient cleaning tasks in cars, on furniture, and in hard-to-reach areas. Featuring a lightweight design and a powerful motor, it ensures portability without sacrificing performance. The unit includes essential accessories like a crevice nozzle and brush nozzle, along with a HEPA filter for effective allergen filtration.
