

Cordless Handheld Vacuum Cleaner

Cordless handheld vacuum cleaner featuring a lightweight design and powerful suction. Equipped with a transparent dust container for easy monitoring and emptying, it is ideal for quick cleanups on various surfaces.

Product Overview

Professional Cordless Cleaning

This cordless handheld vacuum cleaner offers a professional solution for quick and efficient maintenance in commercial or light-industrial environments. Its lightweight, ergonomic architecture allows for effortless maneuverability, while the powerful suction capabilities ensure superior performance on a wide variety of surfaces. The intuitive, transparent dust container design facilitates rapid inspection and simplified waste disposal, minimizing downtime during cleaning operations.

Key Features

Primary Capabilities

Cordless Operation, High-Power Suction, Lightweight Design, Easy-Empty Container

Technical Specifications

Suction Efficiency

1 Grade

High-Efficiency Suction

Maintenance Indicators

- Transparent dust bin for visible fill level
- Simplified, tool-free emptying process
- Designed for quick-response cleaning
