

Cordless Impact Wrench

This cordless impact wrench is designed for efficiently fastening and loosening nuts and bolts. It features a high-torque motor powered by a lithium-ion battery, variable speed trigger, and LED work light.

Product Overview

High-Performance Cordless Impact Wrench

This cordless impact wrench is engineered for efficient fastening and loosening of nuts and bolts in demanding environments. Powered by a high-torque motor and lithium-ion battery technology, it delivers consistent performance and extended runtime for professional applications. The ergonomic design and integrated LED light ensure user comfort and precision even in dark or confined workspaces.
