

Cordless Impact Wrench

This cordless wrench is a powerful and versatile tool for fastening applications. It features a high-torque motor powered by a 20V lithium-ion battery.

Overview

Professional Cordless Impact Wrench

This cordless impact wrench is a powerful and versatile tool engineered for demanding fastening applications. Featuring a high-efficiency brushless motor and a robust 20V 4.0Ah lithium-ion battery system, it provides consistent high torque for tightening or loosening stubborn bolts and nuts. Its ergonomic design is optimized for automotive repairs, construction projects, and general maintenance, ensuring reduced user fatigue during extended operation.

Technical Specifications

Voltage	20 V
Battery Capacity	4 Ah
Motor Type	Brushless
Battery Technology	Lithium-ion

Certifications & Compliance

Certifications	CE
