

Cordless Impact Wrench for Fastening

This cordless impact wrench is designed for efficient tightening and loosening of bolts and nuts. It features a high-torque motor and is powered by a lithium-ion battery for extended runtime and cordless convenience.

Product Overview

Professional Cordless Impact Wrench

This cordless impact wrench is a powerful and versatile tool designed for various fastening applications. Featuring a high-torque motor, it ensures efficient tightening and loosening of bolts and nuts while minimizing user fatigue through its ergonomic, rubber over-moulded grip. The tool is powered by a reliable lithium-ion battery, offering extended runtime and the convenience of cordless operation for demanding work environments.

Technical Specifications

Voltage	18 V
Battery Capacity	4000 mAh
Maximum Torque	600 N.m
No-Load Speed	0-2750 rpm
Chuck Size	1/2 inch square head

Features & Design

Key Features	LED Work Light, LED Indicator, Rubber Over-moulded Grip, Belt Clip
