

Cordless Leaf Blower - 58V Battery Powered

This cordless leaf blower is powered by a 58V lithium-ion battery. It is designed for clearing leaves, debris, and other materials from lawns, gardens, and outdoor spaces.

Product Overview

High-Performance 58V Cordless Power Tool

This versatile 58V cordless tool is engineered for demanding outdoor maintenance tasks, offering the power of gas-powered equipment without the emissions. Featuring a high-efficiency brushless motor, it delivers consistent performance for both residential and commercial applications. With user-focused design elements like tool-less tensioning and dual braking systems, this unit ensures safety, reliability, and ease of operation for professional results.

Technical Specifications

Voltage	58 V
Motor Type	Brushless
Chain Speed	18 m/s
Bar Length	16 inch

Features

Maintenance

- Tool-less chain tensioning
- Automatic oiler

Safety Systems

Mechanical Brake, Electronic Brake, Dual Protection
