

Cordless Power Drill

This cordless power drill is designed for drilling and screwdriving applications. It features a variable speed motor, adjustable torque settings, and a keyless chuck.

Overview

Versatile 18V Cordless Drilling Solution

This high-performance 18V cordless drill is engineered for a wide range of professional drilling and screwdriving applications. It features a variable speed motor and adjustable torque settings, providing precise control for various materials and tasks. The ergonomic design and keyless chuck ensure comfortable handling and quick bit changes during extended use on the job site.

Performance

Key Performance Metrics

18 V

Voltage

30 Nm

Max Torque

13 mm

Drilling Capacity

Technical Specifications

No-load Speed	0~400 / 0~1350 rpm
Chuck Capacity	1.5 ~ 13 mm

Features

Core Features

- Variable speed motor
- Adjustable torque settings
- Keyless chuck for quick bit changes
- Ergonomic handle design
- Long-lasting battery compatibility

Applications

Recommended Use	Drilling, Screwdriving, Professional Construction, DIY Projects
