

Cordless Stick Vacuum Cleaner

This cordless stick vacuum cleaner features a lightweight design for easy maneuverability. It is equipped with a high-efficiency motor for powerful suction and a multi-stage filtration system.

Product Overview

Versatile Cordless Cleaning Performance

This cordless stick vacuum cleaner combines a lightweight, maneuverable design with high-efficiency suction power to tackle messes across your facility or home. It features an advanced multi-stage filtration system that effectively captures fine dust and allergens, ensuring a cleaner environment. The unit seamlessly transitions between floor cleaning and handheld use, making it ideal for furniture, stairs, and tight spaces.
