

Technical Performance

Performance Highlights

23 kPa

Suction Pressure

350 W

Rated Power

1.45 kg

Main Body Weight

Battery and Runtime

- Capacity: 2000mAh to 2500mAh
- Charging time: 2.5 - 4.5 hours
- High speed runtime: 10 minutes
- Medium speed runtime: 15 minutes
- Low speed runtime: 30 minutes

Electrical Specs

25.2V Rated Voltage, 100-240V Adapter Input

Features and Options

Included and Optional Accessories

Type	Description
Standard	Main brush, 2-in-1 brush, long crevice nozzle
Optional	Acarus killing brush, Ground holder, Wet brush

Key Features

HEPA Filtration, 3-Speed Control, Bagless Design, Detachable Handheld, Dust Sensing (Optional)
