

Cordless Stick Vacuum Cleaner with Lithium-Ion Battery

This cordless stick vacuum cleaner is powered by a lithium-ion battery for extended runtime. Its lightweight design ensures ease of use and maneuverability on both hard floors and carpets.

Product Overview

High-Efficiency Cordless Cleaning

This cordless stick vacuum cleaner is engineered for maximum mobility and ease of use in professional environments. Equipped with a high-capacity lithium-ion battery, it provides extended runtime for efficient cleaning sessions. Its lightweight design ensures maneuverability across both hard floors and carpets, while the detachable dustbin makes maintenance quick and sanitary.

Technical Specifications

Key Design Attributes

- Cordless operation
- Detachable dustbin
- Lightweight construction
- Compact storage design

Power Source	Lithium-Ion Battery
Surface Compatibility	Hard Floors, Carpets
