

Cordless Telescopic Pole Hedge Trimmer Chainsaw Combo

This cordless combo tool includes both a chainsaw and a hedge trimmer attachment. It features a telescopic pole for extended reach, adjustable cutting angles, and a lightweight design.

Product Overview

Versatile Cordless Maintenance System

This cordless telescopic pole system combines both hedge trimmer and chainsaw capabilities into one efficient tool. Designed for landscape maintenance, it eliminates the restriction of cords while providing the extended reach needed for tall shrubs and high branches. The lightweight, adjustable design ensures comfortable operation for various gardening tasks.

Technical Specifications

Power System	Lithium-Ion Battery
Voltage	40 V
Tool Type	Pole Pruner, Hedge Trimmer, Chainsaw
