

CR2025 3V Lithium Button Cell Battery (2-Pack)

High-performance CR2025 3V lithium button cell battery designed for various electronic devices. It provides reliable and long-lasting power for watches, calculators, remote controls, and other small electronics.

Overview

High-Performance Lithium Power

This CR2025 3V lithium button cell battery is engineered to deliver reliable and consistent power for a wide range of small electronic devices. Featuring advanced lithium battery technology, these cells offer an extended shelf life and stable voltage output. This package includes two batteries, making it a convenient solution for powering watches, calculators, remote controls, and other compact electronics.

Technical Specifications

Battery Type	Lithium Button Cell
Model	CR2025
Nominal Voltage	3 V
Quantity per Pack	2

Features

Common Applications

- Watches
- Calculators
- Remote Controls
- Small Electronics

Key Features	High Energy Density, Lithium Technology, Extended Shelf Life, Stable Voltage
