

Crystal Glass Door Top-Freezer Refrigerator

This refrigerator features a crystal glass door panel with vibrant colors and exquisite patterns. It offers first-class energy efficiency, optimized system matching, and a new luxury top-mounted ceiling light that increases usable space.

Overview

Elegant Design Meets High Efficiency

This top-freezer refrigerator combines an internationally inspired crystal glass door design with advanced energy-saving technology. It features a modern interior layout enhanced by a luxury ceiling-mounted lighting system, which maximizes usable storage space while providing soft, uniform illumination. Designed for both aesthetic appeal and practical functionality, it is an ideal cooling solution for sophisticated home environments.
