

## Mechanical Specs

### Key Performance Metrics

**20.37 %**

Max Efficiency

**5400 Pa**

Snow Load Capacity

**2400 Pa**

Wind Load Capacity

### Physical Characteristics

Feature	Rating/Specification
Cell Type	Polycrystalline
Number of Cells	36
Operating Temperature	-40°C to +85°C
Max System Voltage	1000VDC

## Warranty

### Warranty Coverage

- 12-Year Product Warranty
- 25-Year Linear Power Warranty
