

Cylinder Vacuum Cleaner with Telescopic Tube

This cylinder vacuum cleaner has 1500W power and 520W suction. It is equipped with a magic telescopic tube and three independent casters.

Overview

High-Performance Cylinder Vacuum

This cylinder vacuum cleaner is engineered for efficient household cleaning, combining powerful suction with a compact, user-friendly design. Featuring a 1500W motor and a specialized telescopic tube, it offers versatility for various floor surfaces and hard-to-reach areas. The unit is built for durability and ease of movement, making it an ideal choice for professional-grade cleaning tasks.
