

Cylindrical Outdoor Wall Light with Frosted Glass Diffuser

This outdoor wall light features a cylindrical design with a frosted glass diffuser and a ribbed metal base. It provides ambient lighting for exterior spaces and is suitable for wet locations.

Product Overview

Modern Exterior Illumination

This cylindrical outdoor wall light offers a sophisticated blend of form and function for exterior spaces. Featuring a durable frosted glass diffuser paired with a ribbed metal base, it delivers soft, ambient lighting perfect for patios, decks, and walkways. Its weather-resistant construction ensures reliable performance in wet locations, making it an ideal choice for both residential and commercial outdoor environments.
