

Decorative Ceiling Fan with Light

This ceiling fan features five intricately designed wooden blades with a decorative perforated pattern. The central fixture houses multiple frosted glass lamps, providing ambient lighting.

Product Overview

Elegant Cooling and Illumination

This decorative ceiling fan seamlessly blends functional cooling with ambient lighting, making it an ideal choice for sophisticated interior spaces. Featuring five intricately crafted wooden blades with a unique perforated pattern, the design offers a classic aesthetic finished in a polished brass tone. The integrated frosted glass lamps provide soft, effective illumination, while the high-efficiency motor ensures quiet operation for a comfortable environment.
